FOREWORD

We, the 1955 Warrior Staff, wish to portray the school year of 1954-1955. Given a sound academic foundation and a well rounded curriculum, we are encouraged to develop ideals, opinions, and interests which give us the ability to think individually and to work together.

The four years of high school pass far too quickly. May this book hold many pleasant memories of the experiences of these years. It will be impossible to relate all of the happenings of this year, but it is possible to recall some of the happenings.

We wish to thank all of those who have helped and made possible the publishing of this book. As the pages unfold, we hope this will be a memorable 1955 Warrior Yearbook.

Mr. Grigsby

It is with deepest appreciation we dedicate this 1955 Warrior to Paul A. Grigsby, an outstanding man, citizen, teacher, and friend to all. Hard work, friendliness, and the welfare and well being of others above himself have marked his 22 years of administration in the Granite City school system.

During this time and under the guidance of Mr. Grigsby the vocational and academic departments have been united; the annex between the vocational and academic buildings has been constructed; art and vocal music have been added to the curriculum; the Community Unit District has been established; and new buildings are being constructed.

Not only a prominent educator but also an active member of many civic undertakings, Mr. Grigsby has shown his keen insight into the progress and future of Granite City.

To the students of Granite High, the friendly smile and greeting from Mr. Grigsby give one a feeling of his sincere interest in young people and their future.

... "With gratitude dear Granite High we will always think of thee". . . The strains of our Alma Mater bring pleasing memories to the January Class of '55.

Let us begin our reminiscing when in January 1951, a group of anxious Freshmen enter the doors of GCHS which is to be our second home. With making of new friends and having new activities, our Freshmen year passes quickly. As Sophomores our thoughts run ahead to the next two years when we will be upperclassmen.

Our Junior tests soon prove we do not know all the answers. Under the expert leadership of our class officers and deans we share with the Low Juniors the enthusiastic efforts put forth on the Junior Prom Winter Wonderland.

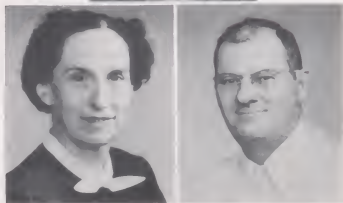

Excitement fills our minds when our thoughts turn to graduation. Now diplomas have been received, but the memories of our Alma Mater will always linger as pleasant ones.

Seniors not pictured are listed on page 80.

For three wonderful years we awaited with anticipation the day when we would assume the role of Seniors. Now as graduation draws near, our senior year is over and we have only pleasant memories.

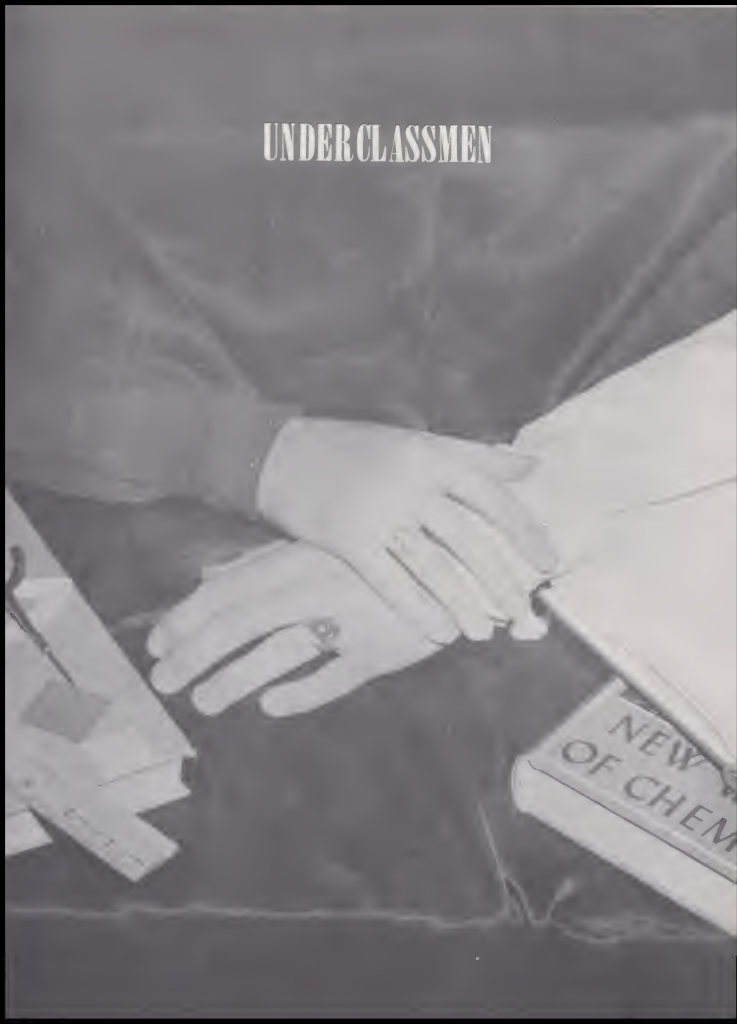

How long ago it seems as we sat in the auditorium listening to Mr. Johnson talk to us and our parents. Soon we are Sophomores and beginning the long climb to our diploma.

Upperclassmen at last! Our enthusiasm toward our school had increased, and we become full of school spirit. Our turn comes to give the annual prom. The old gym becomes transformed to a Winter Wonderland where we spend an evening long to be remembered.

Then comes the day when all efforts are recognized. The long chain with another link added is being given to the approaching Senior Class. We are all reluctant to leave our Alma Mater, but we can certainly be proud of our class--the Class of June '55.

The most familiar sight at all games are the cheerleaders. With their red and black skirts twirling, they cheer our team on to victory. Their pep and vitality is a great asset to the morale of the team as well as the good sportsmanship and enthusiasm aroused in the student body and other fans.

Marking the end of the football season is the Mr. Touchdown Dance honoring the entire football squad. The cheerleaders have made this an annual event that can be looked forward to by all students.
